# AFTER SCHOOL SATAN CLUB

SPONSORED BY: THE SATANIC TEMPLE AND REASON ALLIANCE

The Satanic Temple is a non-theistic religion that views Satan as a literary figure representing a metaphorical construct of rejecting tyranny and championing the human mind and spirit. After School Satan Club does not attempt to convert children to any religious ideology. Instead, The Satanic Temple supports children thinking for themselves. All After School Satan Clubs are based on activities centered around TST's Seven Fundamental Tenets and emphasize a scientific, rationalist, non-superstitious worldview.
